Medium meets Miami Vice as top Miami psychic Regina Milbourne divulges her true stories of working for some of Miami's most controversial public figures, and her thrilling, sometimes life-threatening encounters with Santeria, Candomble, Voodoo, malocchio, curses, and Wicca. From protecting killers and bringing back the dead, to thwarting dangerous maids meddling with black magic, Regina Milbourne has seen it all. And after fifteen years as a practicing psychic, she's also ready to turn her back on the gift she's had since drowning in a public swimming pool at the age of twelve. Versed in Voodoo, Wicca, and Santeria (to name a few), Milbourne tells the stories of her years as a local psychic in Miami, Florida, as well as her meetings with some of her city's most controversial figures. Part cult priestess and part psychiatrist, she's been involved in the lives of some of society's most degenerate, and most powerful, citizens. And even dealing with death, murder, and corruption on a daily basis, she's stood by her promise to dedicate her life to anyone who seeks her help. In "Miami Psychic: Confessions of a Confidante", Regina Milbourne comes clean with her stories of the tangled lives and horrors within the tainted business of psychics, hoping to somehow lighten the burden she's carried all these years.
