评论

试图分析了一下双职工家庭破产的原因大致就是供不起的房子和养不起的孩子……提出了一些关于开销的想法和方案，以及看起来最有效的就是不要孩子

-----  
Consumerism is not the real problem. There're deeper structural issues in the systems of education (primarily), finance industry and politics. We can crudely conclude that childrearing is the black hole that sucks a family's economic prosperity, but like this book says, it should not be the inevitable consequence.
