出版者:Springer Verlag

出版时间:2007-3

装帧:HRD

isbn:9780387486710

The book makes a plea for systemic governance. It follows a practical approach including case studies and conceptual tools. Policy makers and managers need to work with rather than within theoretical and methodological frameworks. The closest we can get to truth is through compassionate dialogue that explores paradoxes and considers the rights and responsibilities of caretakers.
