

Understanding Surveillance Technologies

[Understanding Surveillance Technologies_ 下载链接1](#)

著者:J.K. Petersen

出版者:Auerbach Publications

出版时间:2007-2-5

装帧:Hardcover

isbn:9780849383199

The second edition of this popular work has been updated to reflect recent developments in aerial, radio, and telecommunications that affect government, local security, and corporations. It features new information on RFID chips, face recognition systems, Homeland Security initiatives and legislation, mass surveillance methods, voice over IP technology, higher resolution satellite images, radar imaging, and privacy issues.
