Teach your learners to work smarter, not harder! The Accelerated Learning Fieldbook gives you the tools you need to ensure that maximum learning and maximum retention are taking place in your training sessions, sales sessions, and classrooms. You'll learn how to: \* Improve your communication skills \* Identify the best way individual learners learn \* Rethink your personal beliefs that block learning \* Use music

to create focused learning environments \* Measure the effectiveness of a learning session ...and more! No other accelerated learning resource will offer you as many up-to-date tips, techniques, processes, and theories. Everything you need to create a learning organization-including a music CD to learn by-is between these covers. Enhance learning, foster a quicker grasp of the concepts you present, and ensure greater overall retention of your material with this complete, practical, and comprehensive fieldbook.
