Effective Communication At Your fingertips. It sounds deceptively simple, but it's one of the success secrets of effective leaders worldwide: In any interaction, asking the right questions can transform key business relationships, improve crucial communication skills, and make things happen your way. In this indispensable guide to better communication, internationally known management consultant Rupert Eales-White reveals his foolproof approach to managing work relationships, using the science of effective questioning. Based on his popular seminar, Ask the Right Question! provides dozens of tips and techniques in the art of framing questions that will produce the information you need in order to: Seize opportunities; Reduce resistance; Bridge gaps in perception; Meet your goals; Encourage mutuality; Create partnerships. Whether you are a corporate officer, a manager, or just getting on the fast track. Ask the Right Question! is the answer to meeting your skill, relationship, and career needs.

书评

现在对于小到生活趣闻轶事，大到国事政治，大批平时只转发中奖信息的“僵尸粉”在微博爆出一个热门的时候，跑到评论里做妖，一举成为让人啼笑皆非的热门。他们从来不看这条信息到底是否是真是假，从来不管这条消息发出的目的为何。除了为了博出位的个别，大多数人都只是为了发...
