High Praise for High Impact Philanthropy "Successful navigation through today's changing world of philanthropy requires greater understanding by nonprofits and donors. High Impact Philanthropy meets this need." - Roberta W. Gutman, Executive Director, Motorola Foundation "At a time when the terrain of American philanthropy is so rapidly shifting in new and unprecedented ways, this bright and focused analysis stands as a beacon of innovative thinking for donors and community organizers alike. By sketching in bold strokes the case for more effective collaborative giving, this book may well help transform our communities in the twenty-first century." - Peter deCourcy Hero, President, Community Foundation Silicon Valley "High Impact Philanthropy provides a thoughtful analysis of how venture philanthropy is changing the way nonprofits run and how philanthropists give. Important parallels are made to the business world, demonstrating how nonprofits and donors can both benefit from putting their business hats on and running their organizations and giving programs like businesses." - Jan D'Alessandro Wadsworth, Vice President, AOL Foundation "High Impact Philanthropy is an effective and articulate guide to planning a major gifts strategy, soliciting major gifts from individuals in a personable and efficient manner, and integrating this essential task into the very structure of a nonprofit organization." - Claude Rosenberg, Founder, New Tithing Group
