Presents a performance support system based on the Project Management Institute's (PMI(R)) A Guide to the Project Management Body of Knowledge (PMBOK(TM) Guide)--2000 Edition. It reflects the best practices in the emerging field of project management. This guide is a set of worksheets, guidelines, checklists, and other tools for use by novices to perform specific project management tasks in a step-by-step fashion. Allows those new to project management to quickly acquire broad knowledge and skills related to the project management processes, terminology, tools, and techniques.
