出版者:AIAA

出版时间:2003-9-1

装帧:Hardcover

isbn:9781403912039

This is the first book of its kind on the market and is aimed at collateral management professionals in the OTC derivatives markets. It is a guide to the key topics involved in establishing and running a collateral management function and is clear, comprehensive and practical. A Practical Guide to Collateral Management will also be of value to those professionals working in product areas applying collateral management techniques including repo, securities lending and exchange traded products.
