

# Alternative Risk Transfer

[Alternative Risk Transfer\\_ 下载链接1](#)

著者:Erik Banks

出版者:Wiley

出版时间:2004-03-19

装帧:Hardcover

isbn:9780470857458

This comprehensive book offers a practical approach to ART - an alternative method by which companies take on various types of risk. It shows readers what ART is, how it can be used to mitigate risk, and how certain instruments/structures associated with ART should be implemented. Through numerous examples and case studies, readers will learn what actually works and what doesn't when using this technique. Erik Banks (CT) joined XL Capital's weather/energy risk management subsidiary, Element Re, as a Partner and Chief Risk Officer in 2001.
