出版者:Jones & Bartlett Pub

出版时间:2004-6

装帧:Pap

isbn:9780763745790

Financial Planning for Physicians and Advisors describes a personal financial planning program to help doctors avoid the perils of harsh economic sacrifice. It outlines how to select a knowledgeable financial advisor and develop a comprehensive personal financial plan, and includes important sections on: insurance and risk management, asset diversification and modern portfolio construction, income tax and retirement planning, and succession and estate planning. When fully implemented with a professional's assistance, this book will help physicians and their financial advisors develop an effective long-term financial plan.
