Most of us dream of becoming wealthy. While some take steps to achieve it, few realize the goal. Why? According to financial planner Douglas R. Andrew, flawed financial strategies - or what he calls "money myth-conceptions" - lead us down the wrong road. In his revolutionary financial guide, MISSED FORTUNE: Dispel the Money-Myth Conceptions - Isn't it Time You Became Wealthy? , Andrew rattles conventional attitudes about personal investments and challenges readers to build wealth with new and - and very contrarian - strategies.
