The first book to address public policy in the light of recent corporate debacles Corporate Aftershock is a reasoned, informed response to the numerous proposals to restrict derivatives, structured financing activities, and shareholder protection principles and practices following the failure of Enron and other corporations. Readers get a cogent analysis of the public policy world after recent corporate debacles. Corporate Aftershock provides a detailed background of the markets, players, regulations, and institutional environment surrounding these failures. Christopher L. Culp, PhD (Chicago, IL), is a Principal at CP Risk Management LLC. William A. Niskanen, PhD (Washington, DC), is Chairman of the Cato Institute.
