Spanning everything from legal firms and architects to fundraisers and dentists, the professional services industry continues to experience spectacular growth yet remains largely undocumented in business literature. Until now. The Professional Services Firm Bible is a sophisticated and comprehensive guide to running a highly productive professional services organization. Top consultants John Baschab and Jon Piot provide specific and sharply defined policies, practices and tools for each important aspect of managing the professional services firm, allowing you to assess current operations and develop a step--by--step plan for realising measurable productivity improvements. Further, the book will help you improve financial performance by managing costs, getting the most from external vendors and improving revenues. The Professional Services Firm Bible is full of best practices, proven advice and practical techniques and includes a CD--ROM with customizable tools every professional services firm can use to achieve improvements. Please visit www.iig1.com and www.impactinsights.com for more information on the book and top consultants John Baschab and Jon Piot.
