出版者:Routledge

出版时间:2005-8

装帧:Pap

isbn:9780415311359

For Business Ethics is a daring adventure into the world of business ethics. It offers a clear and accessible introduction to business ethics and also expands business ethics beyond its current narrow confines. It is ground-breaking in the sense that it invites a distinctively critical approach to business ethics, an approach that the authors argue is part and parcel of ethics. With a thought-provoking glossary and recommendations for further readings, For Business Ethics is an essential purchase for students and practitioners alike. It is at once an introduction to business ethics and a challenge to anyone who wishes to take part in or change contemporary organized society.
