EVERY WORKING WOMAN NEEDS A BIG SISTER In just one eight-hour day, a working woman can get more twisted up than panty hose in the spin cycle. "The Big Sister's Guide to the World of Work" will straighten her out. This tell-it-like-it-is handbook gives every working woman the tools for facing the forces of evil and opportunity in corporate America, including how to: - Sidestep the classic mistakes women make in a new job - Avoid getting tangled up in office politics - Banish the seven habits that make you look small - Get your boss on your side (without kissing up) Once entry-level know-nothings who rose to the top of the corporate ranks, DiFalco and Herz have been the go-to big sisters for hundreds of women who were mystified and mortified at the office. Now you can arm yourself with the authors' straight-shooting advice. Uninhibited and fiercely wise -- like the very best big sisters -- they are the mentors every working woman needs.
