The Wiley CIA Exam Review is the best source to help you prepare for the Certified

Internal Auditor (CIA) exam, covering the Sarbanes-Oxley Act and more. Wiley CIA Exam Review, Volume 3: Business Analysis and Information Technology covers business processes, financial accounting and finance, managerial accounting, information technology, and regulatory, legal, and economics. Every volume in the Wiley CIA Exam Review series offers a successful learning system of visual aids and memorization techniques. Each volume is a comprehensive, single-source preparation tool that features theories and concepts, indicators that help candidates allot study time, full coverage of the IIA's Attribute and Performance Standards, and in-depth of theory and practice.
