The Latin American Development Forum promotes debate and disseminates knowledge and analysis on economic and social development issues in Latin America

and the Caribbean. The Institutional Sponsors of this series are the World Bank, United Nations Economic Commission for Latin America and the Caribbean (ECLAC), and Inter-American Development Bank (IADB). This book provides an independent assessment of the Poverty Reduction Strategy Initiative for the World Bank as well as the broader development community. It offers a frank and in-depth review of the progress thus far, with particular focus on the role and effectiveness of the Bank's support, drawing from extensive discussions with national stakeholders in Poverty Reduction Strategy (PRSP) countries, research and analytical work, and country case study reports on ten PRSP countries: Albania, Cambodia, Ethiopia, Guinea, Mauritania, Mozambique, Nicaragua, Tajikistan, Tanzania, and Vietnam.
