Gold Run Snowmobile, Inc is a computerized business simulation practice set designed to offer students a thorough review of all the major accounting concepts

found in the introductory chapters of Financial Accounting and Principles of Accounting courses. Gold Run Snowmobile, Inc uses the corporate approach with perpetual inventory. While reviewing these concepts the student can use this practice set to become familiar with a computerized accounting system similar to commercial systems. It offers students an opportunity to use, review, and learn a very significant amount of financial information in a very short period of time.
