'This book is written by authors who clearly understand the challenges facing all who seek to understand and apply international standards. I recommend it to you' - From the Foreword by Sir David Tweedie, Chair of the International Accounting Standards Board. In this defining resource, authors Roger Hussey and Audra Ong have compiled everything accountants, executives, and organizations in different countries need to reach agreement on accounting rules and standards. "International Financial Reporting Standards Desk Reference" includes a background on how the movement toward a common language for international accounting evolved to its present state, summarizes existing standards highlighting the key issues covered, and captures those terms and phrases that are fundamental to an understanding of the common language of global business. Written to help readers fully comprehend this global language, "International Financial Reporting Standards Desk Reference" includes: an overview of the International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS) and their impact; a dictionary of words and phrases used in the international business world, with a strong emphasis on terms used by the International Accounting Standards Board; history of the International Accounting Standards Board - how it was formed, its structure, and the way it operates; and, insights on future trends of the International Accounting Standards Board.
