

Fundamentals of Cost Accounting

[Fundamentals of Cost Accounting_ 下载链接1](#)

著者:Maher, Michael W./ Lanen, William N./ Rajan, Madhav V.

出版者:McGraw-Hill College

出版时间:2004-12

装帧:HRD

isbn:9780073018379

This title offers a direct, realistic, and efficient way to learn cost accounting. "Fundamentals" is short (736 pages) making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to

master. Opening vignettes and 'In Action' boxes show realistic applications of these concepts throughout. The Topic Tackler CD reinforces this realism with video clips of different businesses that use cost accounting. Comprehensive end-of-chapter problems plus Homework Manager provide students with all the practice they need to fully learn each concept.
