著者:Lynn Jr., Laurence E.

出版者:Routledge

出版时间:2006-8

装帧:Pap

isbn:9780415287302

Offering much more than a purely theoretical or retrospective view of public management, this exciting text is an invaluable new addition to the field of public management. Putting the American model in perspective, it establishes the historical, theoretical, analytical, practical and future foundations for the comparative study of public management. Taking a boldly integrative approach, Laurence E. Lynn Jr.

combines topics of best practice, performance, accountability and rule of law to provide a much-needed umbrella view of the topic. Well-written and illustrated with case study examples, this is one of the most exciting books on public management available today. As such it is an essential read for every student of public management, administration and public policy.
