装帧:Pap

isbn:9780750661751

Incorporating a diversity of practices, cultural and organization change, and new building forms, this book provides ideas, inspiration and analysis of the multitude of ways in which an office space can be designed and utilized. Updated to cope with

technological advances, as well as including a new series of case studies on recent Australian, North American and Scandinavian experiences, the contributors draw on a wealth and variety of professional experience to present the best and most innovative solutions for today's office - and tomorrow's workplace. It provides analytical design solutions to meet real challenges and increase office productivity. It is fully updated and with seven brand new chapters to cover the latest ideas and developments affecting the workplace. International case studies provide inspiration and show how to apply theories.
