As corporations and the government continue to shift the responsibility for retirement savings to workers, employees at all economic levels must develop a personal plan to ensure a financially secure retirement. In "Double Your Retirement Income", financial professional Peter Mazonas provides readers with the tools and information needed to overcome retirement obstacles. Beginning with a broad overview of the economic realities readers will face, this comprehensive guide helps them take a step back and make an honest assessment of what it's going to take to retire on their terms. Filled with in-depth insight, expert advice, and illustrative charts and graphs, "Double Your Retirement Income" shows readers how to effectively manage Defined Contribution Plans, understand Defined Benefit Pension Plans, buy and hold a balanced portfolio of no-load, and much more.
