In the enormous bestseller *The Roaring 2000s*, Harry S. Dent, Jr., forecast a booming market that he says will continue to rise through the first eight years of the twenty-first century. Dent's many predictions in that book, from unprecedented Dow Jones highs to corrections throughout the year, were consistently correct with an uncanny accuracy. His ideas about why the market is where it is have truly captured the imagination of many investors and others who are interested in seeking a secure financial future.

In *The Roaring 2000s Investor*, Dent provides precisely the information people will need to get them the life they want -- for the rest of their years. While *The Roaring 2000s* highlighted Dent's theor
