The EVERYTHING GUIDE TO FORECLOSURES helps readers learn what they need to know to invest, understand the realities of working in the market, and figure out if the foreclosure market is really for them. Whether readers are considering foreclosures as a way to buy a home of their own or as a way to begin investing to generate income, this straightforward guide helps readers to: Find properties facing foreclosure and negotiate with sellers; Recognize the pitfalls to avoid; Get ideas on financing purchases; Resell

properties for maximum profit.
