Foreclosure properties are one of today's hottest investments and one of the quickest, easiest ways to turn a profit in real estate. "Quick Cash in Foreclosures" shows you how to profit from foreclosures without having to qualify for a loan, battle the hordes at foreclosure auctions, pay exorbitant repair and resale costs, and, most importantly,

without risking your savings! All you have to do is apply the authors' proven system, a step-by-step approach to finding great foreclosure properties, purchasing the seller's equity for pennies on the dollar, and then selling the contract to another investor for quick cash. With this straightforward, practical guide, you too can profit quickly and handsomely from a foreclosed property.
