Anyone who depends upon or shapes a company's reputation—customers, employees, news media, NGOs, and bloggers—will benefit from reading Dr. Gaines-Ross's book and will learn more about the influence they wield over corporate reputations."

—Dr. Robert G. Eccles, Senior Lecturer, Harvard Business School "At a time when companies are facing unprecedented reputation crises comes a timely primer from Dr. Gaines-Ross that tells us what companies need to do to bring their reputations back from the brink. The book's 12-step reputation recovery model captures what we know about effective crisis management, and brings the process to life with a host of detailed case examples. It's right on the mark!"
