

Financial and Management Accounting

[Financial and Management Accounting](#) [下载链接1](#)

著者:Pauline Weetman

出版者:Prentice Hall

出版时间:2009-04-04

装帧:Paperback

isbn:9780273703693

This revised and fully updated edition continues to provide students with a clear and well-structured introduction to financial and management accounting. This edition retains all of the classic features that have contributed to the book's success

particularly its clarity of expression within a sound conceptual framework. There is a strong emphasis on the 'why' rather than simply the 'what' and how'.
