出版时间:2005-7

装帧:HRD

isbn:9780765803122

Volume 10 of Current Topics in Management includes both invited contributions and revised versions of papers presented at the 2004 International Conference on Advances in Management, held at Orlando, Florida. This volume exemplifies ICAMas comparative orientation, in its broad scope of management perspectives, in the diverse locations of its research as well as its application, and in its comparisons of findings, methodologies, and operational definitions.
