著者:Legge, Karen

出版者:Palgrave Macmillan

出版时间:2004-11

装帧:Pap

isbn:9781403936004

Human Resource Management remains a classic text examining the role and place of HRM in contemporary society. A decade on, the anniversary edition brings the debate up to date, and explores the changes and developments that have taken place since its original publication in 1995. A new foreword and introductory chapter by Karen Legge

places the original debates within the context of the new millennium, ensuring that Human Resource Management remains fresh and relevant to a new generation of students.
