著者:Whyte, David

出版者:Riverhead Books

出版时间:2002-4

装帧:Paperback

isbn:9781573229142

Crossing the Unknown Sea shows how poetry and practicality, far from being mutually exclusive, reinforce each other to give every aspect of our lives meaning and direction. For anyone who wants to deepen their connection to their work-or find out what their life's work is-this book is essential to navigating the way.

"Readers who accept poet and Fortune 500 consultant Whyte's invitation to enter into 'an imaginative conversation about life and work' are likely to be challenged as well as delighted by the beauty of his writing and the expansiveness of his views. Gracefully using the metaphor of a sea voyage to depict the journey through the world of work, Whyte views work not only as a means of support, but as a means for interacting with the world and developing self-expression and identity...An abundance of provocative ideas... thoughtful readers will wholeheart-edly savor this book." (Publishers Weekly , starred review)

Read when I was confused about life and work. Poetic and philosophical.
