This book is a first-hand account of the vision, rise, and success of SEWA, the

Self-Employed Women's Association, a trade union of self-employed women in India. It takes the reader into an up-close look at these women's daily lives, at the forces that overpower them, the conditions that perpetuate their poverty, the battles they fight, the attitudes they face and the working and living conditions of both rural and urban working women. It highlights the role that trade cooperatives play in economic development and shows the impact of the larger economy on the lives of the women.

评论

帮助self-employed女性几十年的实践中的出来的宝贵经验。让我意识到好的价值观有了以后还不够，需要把底层人民（城市规划没有包括进去的摊贩、被大坝迁到荒漠的原住民）organize起来。主要章节涉及到帮助穷人获得保险、好的医疗设施和低利息借贷等重要问题。
