The moving, gripping, and tell-all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in Penthouse Magazine, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.
