isbn:9780226067643

A taut, powerful memoir of madness, *Angelhead* documents the violent, drug-addled descent of the author's brother, Michael, into schizophrenia. Beginning with Michael's first psychotic break - seeing God in his suburban bedroom window while high on LSD - Greg Bottoms recounts, in gripping, dramatic prose, the bizarre disappearances, the suicide attempts, and the shocking crime that lands Michael in the psychiatric wing of a maximum security prison. A work of nonfiction with the form and imagery of a novel, *Angelhead* enables the reader to witness not only the fragmenting of a mind but of a family as well.
