著者:Inge, M. Thomas

出版者:Penguin USA

出版时间:2006-11

装帧:HRD

isbn:9781585675425

William Faulkner’s novels and short stories comprise a penetrating view of the divided loyalties, hypocrisies, injustices, and brutalities that were the inheritance of the post-reconstruction South. In this new volume in the acclaimed Overlook Illustrated Lives series, distinguished Faulkner scholar M. Thomas Inge complements his concise text with more than a hundred rarely seen photos and illustrations—among them, photos of Faulkner’s great-grandfather (who was killed in the streets of Ripley, Mississippi, in a duel), the literary circles of New Orleans and Paris in which he traveled as a young writer, his years in Hollywood as a screenwriter, and much more. William Faulkner is both an inviting introduction to the master of modern fiction and an indispensable book of vital interest to fans and scholars.
