You think you know Hollywood Hulk Hogan™? Brother, you don't know squat about me. Yeah, I'm the towering red-and-yellow warrior who revolutionized the wrestling business, the larger-than-life superhero who transformed an entire country into a horde of Hulkamaniacs™. But it wasn't always like that. Once I was a fat kid named Terry Bollea watching legends like Dusty Rhodes and Superstar Billy Graham, never dreaming I'd be a professional wrestler myself one day. Run with me on the streets of Tampa, where a bass guitar became my salvation. Fight alongside me in the wrestling arenas of Japan. Cruise L.A. with me and Sylvester Stallone. Find out what makes me cry like a baby, what makes my blood boil, and what scares the living hell out of me. Then tell me you know the man called Hollywood Hulk Hogan. Join the Babe Ruth of wrestling on a no-holds-barred odyssey of his start in the barbaric wrestling arenas of the seventies through the humiliation of his involvement in federal steroid-abuse trials and the heartbreak of potentially career-ending surgery to the achievement of his greatest triumph yet. Hollywood Hulk Hogan. It's the real deal, brother.
