With more than 6,000 entries, the definitive guide to World Business English.. The Ultimate Business Dictionary provides the most comprehensive and up-to-date coverage of key business terminology and concepts available. Containing definitions of more than six thousand entries, The Ultimate Business Dictionary reflects the globalization of English as the lingua franca of business, and offers several unique features, including translations of all terms into Chinese, Japanese, French, German, and Spanish (Castilian and Latin American); abbreviations, acronyms, and slang; concise biographical profiles of key business thinkers and leaders; listings of international stock exchanges and trade organizations; and a section on finance and accounting terms and ratios.
