出版者:Yale Univ Pr

出版时间:2006-9

装帧:Pap

isbn:9780300119732

This compelling biography is the first to encompass the entire life of Ivan the Terrible and to view him in the context of his own time. Notorious for a policy of unrestrained terror - and for killing his own son - his reign was devastating for Russia and her people. The book illuminates the reign and the politics, as well as Ivan's marriages and disordered personality.
