In Snakes and Ladders, Dirk Bogarde continues his memoirs, from the trials of an army training camp at Catterick to the greatest challenge of his film career - the role of von Aschenbach in Death in Venice. Challenges were a constant feature in his life, some brought by chance, some self-imposed. It was an accident which altered his army career, a mistake which launched him into films. This second volume charts the ups and downs Bogarde experienced on the way to becoming one of the finest cinema actors of our time. It is also about the people who helped him in this game of 'snakes and ladders' - family and friends, actors and actresses, directors and producers, including Judy Garland.

Bogarde晚年主业是出回忆录。这本写完才刚拍好魂断威尼斯，大量新鲜八卦。写年轻时服役的段落也尤其好。充满了幽默自嘲。

一个有趣的人。感触最深的就是他对电影“Death in Venice”拍摄前后一系列故事的讲述。电影很好看，离不开天才导演和天才演员的默契配合。Dirk描述他在饰演阿申巴赫时的感受“Indeed I had absolutely no doubt that I was him, and the exterior shell of my normal body was only the vessel which contained his spirit.”
