著者:Darwin Porter

出版者:Blood Moon Productions

出版时间:2005-04

装帧:Hardcover

isbn:9780974811819

Howard Hughes led a life of unprecedented debauchery, at least for his era. This biography documents that corruption and the A-list Hollywood legends who participated.

Researched over a period of 40 years, and documented through hundreds of interviews, Hell's Angel is a stormingly good read about WHAT and WHO money can buy.

ard Hughes: Hell's Angol: A completely original biography of Angol

Howard Hughes: Hell's Angel: A completely original biography of America's most bizarre but most seductive billionaire.
