装帧:Hardcover

isbn:9780306813993

The first English-language biography of one of Germany's top battlefield commanders-Hitler's favorite field marshal Field Marshal Walther Model (1891-1945) was an extremely capable and aggressive German commander who rose through the ranks of the Wehrmacht's high command during World War II. His expertise in rebuilding broken fronts earned him the nickname of the "Führer's Fireman," and throughout the war, Hitler relied on the rapidly promoted general to save his army in several desperate situations, despite the fact that Model was often quite blunt with his erratic Führer. Model's greatest achievement was the restoration of stability along the eastern front in June 1944. In August he was sent to restore the deteriorating western front, where he re-established a strong defensive line along the West Wall in September. He was second-in-command at the Battle of the Bulge and was leading the German army when it collapsed at the end of the war. Rather than surrender, he shot himself in April 1945. Although Model destroyed most of his personal papers just before he died, Stephen H. Newton draws on a wide variety of original German sources, including extensive Wehrmacht archival material, to tell the first and only authoritative story of the commander who was Hitler's favorite.

莫德尔传奇一生的谢幕是常常在我脑海中浮现的画面，“回家吧，我们的战争结束了。祝你们旅途顺利，告诉你们的伙伴永远不要丧失勇气，做个好男儿。”
说罢他与那些士兵一一握手道别，“我从未像现在这么绝望过。”说罢举枪自杀——我经常想到这个场景，嗯。

“回家吧，我们的战争结束了。祝你们旅途顺利，告诉你们的伙伴永远不要丧失勇气，做个好男儿。”
说罢他与那些士兵一一握手道别。1945年4月21日，莫德尔以军人的方式结束一生，从始至终保留了他的名节。

我要把你研究到透明状态。
