Molly Jong-Fast grew up in a town house with a pink door and paintings of ladies playing naked Twister. There were world-famous therapists living in her cellar, a secretary with a brain tumor, a nanny who was a numbers runner, and grandparents who revealed that they had sex on their first date.

Leading therapists agree: a normal childhood.

In Girl [Maladjusted], Molly Jong-Fast takes us on a tour of her big fat Jewish bohemian upbringing. With the same keen insight, effortless cool, and buoyant wit that won her legions of devoted readers in Normal Girl, she offers a riotous and affecting coming-of-age story that is both uniquely weird and weirdly universal.
