著者:Peter Schweizer MD

出版者:Anchor Books

出版时间:2005-1-4

装帧:Paperback

isbn:9780385498647

Based on hours of unprecedented interviews with members of the Bush family, The Bushes tells the inside story of the unique dynasty at the heart of American power.

As well as laying out the secretive family’s inner workings, this intimate and fascinating group portrait probes into such sensitive matters as their dealings in the oil business, George W.’s turbulent youth, and Jeb’s likely run for the presidency in 2008.

In this first full-scale biography, Peter and Rochelle Schweizer insightfully explore the secrets of the Bushes’ rise from obscurity to unprecedented influence. The family’s free-flowing, pragmatic, and opportunistic style consciously distinguishes them from previous political dynasties; they consider themselves the “un-Kennedys.” But with their abiding emphasis on loyalty and networking, the Bushes’ continuing success seems assured—making this book essential reading for anyone who cares about America’s future.
