| Patricia Stephens Due fought for justice during the height of the Civil Rights era. Her daughter, Tananarive, grew up deeply enmeshed in the values of a family committed to making right whatever they saw as wrong. Together, in alternating chapters, they have written a paean to the movement—its hardships, its nameless foot soldiers, and its achievements—and an incisive examination of the future of justice in this country. Their mother-daughter journey spanning two generations of struggles is an unforgettable story. |
