Everyone has heard of the old lady who swallowed a fly, but there is something particularly fishy about this old lady... Eye-popping paintings capture the scenery and wildlife of the Pacific Northwest in this energetic recasting of a favorite children's rhyme. The buoyant text bobs along as the old lady swallows a salmon, an otter, a seal,

a walrus ... until eventually she swallows the entire sea and the trout swims free This pure flight of fancy gives a fresh twist to a familiar song.
