This farm favorite is now a board book, perfect for preschoolers. "'Cows in the pasture, moo, moo, moo. Roosters in the barnyard, cock-a-doodle-doo . . .'" It's another noisy morning on the farm, and all of the animals are where they should be -- except Goose. And where is Goose? Young children will enjoy clucking, mucking, mewling, and cooing while they search for Goose on every gorgeously illustrated spread.
