isbn:9780965273565

Hope and Have introduces us to a young orphan who undergoes a miraculous transformation. Ther first part of the story tells how Fanny, through trials, triumphs,

and her faith in God, has a change of heart. The second part of the story follows Fanny's adventures during the terrible Indian massacre of 1862. The gripping story of how Fanny and a young man named Ethan French escape makes this a captivating book.
