"Bear sniffed once. She sniffed twice. 'I smell winter in the air. . . .'" A chill is in the air and Bear knows it is time for her winter nap. But first, she must tell Snail. And Snail must tell Skunk. And Skunk must tell Turtle. Each animal who tries to put off going to sleep just a little longer sees, smells, hears, or tastes the signs of the impending season. Finally, Ladybug rushes off to tell Bear--already asleep in her cave--the exciting news. "Time to Sleep" is a perfect bedtime story, one that is sure to warm the heart in any season anywhere.
