RRRRGGHHH!
\"What was that?\" I wondered. I jumped to
my feet and turned around. Right behind me
was a very scary-looking creature. A creature
with a huge¼ pointy nose¼ sharp white fangs¼
and little squinty eyes. A monster!
RRRRGGHHH! The creature roared again.
\"Nice try¼ Ashley¼\" I said.
I knew this wasn't really a monster.
It was my twin sister¼ Ashley¼ wearing a
silly Halloween mask. Ashley whipped off\"
the mask.
\"Mary-Kate! How did you know it was
me?\" she asked.
